

Burkina Faso

This factsheet provides an overview of economic inclusion programs in Burkina Faso. Economic inclusion programs are a bundle of coordinated, multidimensional interventions that support individuals, households, and communities in raising their incomes and building their assets. The data used for this factsheet comes from the Partnership for Economic Inclusion's Landscape Survey 2023.

ECONOMIC INCLUSION PROGRAMS SURVEYED

Program Name	Year program began	Lead Agencies	Program Description	No. of Current Participants	% Female Participants	Poverty Targeting	Digital
Communal Climate Action and Landscape Management Project	2023	Ministry of Ecological Transition and Environment	The project promotes integrated land use planning and agro-sylvo-pastoral investments in rural municipalities through a community-driven approach that empowers local municipalities and encourages private entrepreneurship for the sustainable development of value chains.			Targets poor broadly	Yes
Agrifood Program for Integrated Resilience and Economic Development of the Sahel (Pro-ARIDES)	2021	SNV with consortium partners CARE-Netherlands, Wageningen University & Research and The Royal Tropical Institute	The program aims to achieve sustainable and diversified production, improved household nutrition, economic resilience, land tenure and the sustainable use of natural resources.	63,525	76-99% of participants	Targets poor broadly	Yes
Valorization of Agro-Pastoral Potential in the Eastern Region of Burkina Faso Program (VALPAPE)	2023	Caritas Suisse Burkina	The program seeks to better utilize agro-sylvo-pastoral potential to enhance food and nutrition security for local communities.	3,000	1-25% of participants	Targets poor broadly	Yes
Graduation Project for the Autonomy and Dignity of Displaced Persons (GADICH)	2022	Action pour la Promotion des Initiatives Locales (APIL)	The project aims to empower poor and vulnerable households to achieve sustainable development.	3,000	51-75% of participants	Targets poor broadly	Yes
Regional Sahel Pastoralism Support Project II (PRAPS-2)	2022	Ministry of Agriculture, Animal and Fisheries Resources	The project aims to strengthen the resilience of pastoralists and agro-pastoralists in targeted areas of the Sahel region.			Targets XP/UP only	Yes
Supporting Host Communities and Internally-displaced Persons to Facilitate Sustainable Transition Towards Inclusive Solutions (SHIFT)	2021	Danish Refugee Council (DRC)	SHIFT promotes long-term inclusive solutions for displaced populations and host communities in Liptako-Gourma, using the graduation approach to build resilience and achieve sustainable livelihoods.	1,217	26-50% of participants	Targets XP/UP only	Yes
Social Safety Net Project	2014	Ministry of National Solidarity and Humanitarian Action	The program aims to develop household resilience by implementing five measures including a simplified business plan, subsidies, access to market input, and coaching.	6,606	All (100% of participants are female)	Targets poor broadly	Yes
Support for Self-sufficiency and Support for the Development of Resilience	2022	Veterinarian Sans Frontieres Belgium	The program aims to strengthen self-sufficiency and resilience of persons under UNHCR mandate in the Sahel region.	2,000	51-75% of participants	Targets poor broadly	Yes
Inclusive Livelihood Activities for Women and People with Disabilities in Ouargaye	2018	OCADES Tenkodogo	The project aimed to economically empower vulnerable women and people with disabilities using the graduation approach to provide training and support for sustainable livelihood activities.	197	76-99% of participants	Targets XP/UP only	Yes
Project to strengthen the resilience and social cohesion of vulnerable populations (RECOSA) project	2019	Humanity & Inclusion	The project focuses on social safety nets, livelihoods based on the progression model, local development, improved social cohesion, and conflict prevention and management in intervention areas.	7,000	51-75% of participants	Targets poor broadly	Yes

Only programs that have given their consent to share their program data are included in this table

The Partnership for Economic Inclusion (PEI) is a global platform that unites non-governmental organizations, UN agencies, research institutions, funding partners, and the World Bank to support government adoption and scale up of economic inclusion programs that empower vulnerable people to lift themselves out of extreme poverty.
