|--------------------------|-----------------|---------------------|---------------------|
| Wage employment | Food security | Financial inclusion | Self-employment |
| Market access | Social services | Diversification | Women's Empowerment |
| Environmental Management | Productivity | Social Inclusion | Resilience |

Program Development Objective(Description)

The programme was designed to target the extreme poor not catered for in traditional livelihoods programmes. It provides a holistic set of interventions, designed to respond to the specific barriers facing these households and capitalising on opportunities available to them, in order to facilitate their sustainable rise out of poverty. In particular, this programme support households to build
